

Holy water

God, I'm on my knees again God, I'm begging please again, I need You
Oh, I need You. Walking down this desert road

Water for my thirsty soul I need You Oh, I need You

Your forgiveness Is like sweet, sweet honey On my lips

Like the sound of a symphony To my ears Like holy water on my skin
(hey)

I need you more, more than yesterday, I need you more, more

Much more than yesterday

Much

than words can say, I need you more, than ever before, I need

more than words can say Much more than ever before

you more, I need you Lord. More than the air I breathe, More than the
song I sing, More than the next heartbeat More than anything, Lord as
time goes by, I'll be by your side, cause I never want to go back to
old life

We give you the highest praise x4
