

We are the world

Men: There comes a time, When we heed a certain call, When the world must come together as one There are people dying Oh, and it's time to lend a hand to life The greatest gift of all

Women: We can't go on Pretending day-by-day That someone, somewhere will soon make a change We're all a part of God's great big family And the truth, you know, love is all we need

(Chorus: We are the world, We are the children We are the ones who make a brighter day, so let's start giving, There's a choice we're making We're saving our own lives It's true we'll make a better day, just you and me.)

Oh, send them your heart So they know that someone cares And their lives will be stronger and free As God has shown us by turning stones to bread And so we all must lend a helping hand.

Chorus

When you're down and out, there seems no hope at all, But if you just believe there's no way we can fall, Well, well, well, well let us realize, Oh, that a change can only come, When we stand together as one, yeah, yeah, yeah

Chorus, Just you and me just you and me just you and me.
