

Zion

O daughters of Zion O daughters of Zion O Abraham's sons O Abraham's sons Hear the words of your Father Hear the words of your Father Hear His promise of love Hear His promise of love I will make you a blessing I will make you a blessing Count the stars if you can Count the stars if you can You will be a great nation You will be a great nation I will give you this land

(ESTRIBILLO) I will bring you back home Bring you back home Oh My children You will no longer roam Lost and alone in the night There is nothing on earth that could take you away Once I gather you under My wings I will bring you all back home again

Though you've wandered like strangers Though you've wandered like strangers To the ends of the earth To the ends of the earth I will send you a savior I will send you a savior I will finish my work I will finish my work You have no other shepherd You have no other shepherd You have no other lord You have no other lord Green pastures are waiting Green pastures are waiting in Zion once more

(ESTRIBILLO) I will bring you back home Bring you back home Oh My children You will no longer roam Lost and alone in the night There is nothing on earth that could take you away Once I gather you under My wings I will bring you all back home again

So we pray for the peace But look to the East For the Sun rises sudden and fierce Every prophet and priest and king in the City Will look on the One they have pierced We will mourn for the One we have pierced

But don't fear O my daughters But don't fear O my daughters Or sons of Abraham Or sons of Abraham I will wash you with water

I will wash you with water I will offer the Lamb I will offer the Lamb Though your sins were like scarlet Though your sins were like scarlet They'll be whiter than snow They'll be whiter than snow I have always been with you I have always been with you I will never let go

ESTRIBILLO I will bring you all back home again I will bring you all back home again
