

# Million dreams the greatest showman

I close my eyes and I can see The world that's waiting up for me That I call my own

Through the dark, through the door Through where no one's been before But it feels like home

They can say, they can say it all sounds crazy They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy We can live in a world that we design

'Cause every night I lie in bed The brightest colors fill my head A million dreams are keeping me awake

I think of what the world could be A vision of the one I see A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

There's a house we can build Every room inside is filled With things from far away

The special things I compile Each one there to make you smile On a rainy day

They can say, they can say it all sounds crazy They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy Runaway to a world that we design

Every night I lie in bed The brightest colors fill my head A million dreams are keeping me awake

I think of what the world could be A vision of the one I see A million dreams is all it's gonna take  
Oh a million dreams for the world we're gonna make

However big, however small Let me be part of it all Share your dreams with me You may be right, you may be wrong  
But say that you'll bring me along To the world you see To the world I close my eyes to see I close my eyes to see

Every night I lie in bed The brightest colors fill my head A million dreams are keeping me awake A million dreams, a million dreams  
I think of what the world could be A vision of the one I see  
A million dreams is all it's gonna take A million dreams for the world we're gonna make

For the world we're gonna make
