

Never enough

I'm trying to hold my breath Let it stay this way Can't let this moment end You set off a dream in me

Getting louder now Can you hear it echoing? Take my hand Will you share this with me?

'Cause darling, without you All the shine of a thousand spotlights

All the stars we steal from the night sky Will never be enough Never be enough

Towers of gold are still too little These hands could hold the world but it'll

Never be enough Never be enough For me Never, never Never, never Never, for me

For me Never enough Never enough Never enough For me For me For me

All the shine of a thousand spotlights All the stars we steal from the night sky

Will never be enough Never be enough Towers of gold are still too little

These hands could hold the world but it'll

Never be enough Never be enough For me

Never, never Never, never Never, for me For me

Never enough Never, never Never enough Never, never Never enough

For me For me For me For me
